## NPT

Using these examples lets go over some of the differences between ACME and NPT threadings to make sure you get the proper threads.

## ACME

### NPT

- Feels Sharper
- Tapered Thread
- Seals with Pipe Compound or Teflon Tape

### ACME

- Feels Flat
- Straight Thread
- Seals with O-Ring on Flat Surface

**We Stand Behind our Sprinklers and Electronics!**

**Call Us for Details**

**Phone: [877.437.8324](tel:877.437.8324)**

We offer service on most Rain Bird and Toro Controllers and Sprinklers. Call us for questions on our Board/Exchange Program. We will send you a UPS label to return your irrigation products.

**Board Exchange Terms & Conditions:**

Items must be received within 28 days of invoice date. Until items are received, a charge of \$35 per day applies until invoice reaches the purchase price of the component. Unpaid and late payment invoices are subject to a 1.5% monthly finance charge. Electronics prices in this catalog reflect the return of like product. A purchase price charge will occur if a core exchange is not returned.

**Warranty Coverage:**

Product is covered under a 1-year warranty. Warranty will be void if the product is damaged from negligence, unauthorized modification, natural disaster, theft, or loss.
